SECTION 4.01 DEFINITION OF A GRIEVANCE

A grievance is a claimed violation, misinterpretation, inequitable application of, or non-compliance with, a specific provision of this Memorandum of Understanding, or any disputed disciplinary action against an employee or employees covered by this MOU.

SECTION 4.02 ASSOCIATION AS THE GRIEVANT

The Association may be the grievant.

Process: When the Association is the grievant the Association shall file the first step with the Human Resources Officer (HRO). The Association shall submit the grievance in writing. The written grievance shall state the factual particulars of the matter, any provision(s) of the Memorandum of Understanding that has allegedly been misinterpreted or misapplied, how the alleged misinterpretation or misapplication has affected the grievant to the grievant's detriment, and the redress sought. The HRO shall meet with the Association representative(s) and respond to the grievance within the proper time limits. The response shall be in writing and set forth the reason(s) therefore. Except as otherwise specified herein, all of the rights, responsibilities and procedures of the grievance procedure apply to grievances filed by the Association. If a grievance is not resolved to the satisfaction of the Association, the Association may submit the grievance in writing to the EO as set forth in 4.05 Step 3 below:

SECTION 4.03 TIME LIMITS

1. The employee and/or the Association must initiate a grievance within thirty (30) working days from the event giving rise to the grievance or from the date the employee could reasonably have been expected to have had knowledge of such event.
2. At each step District representatives shall have fifteen (15) working days from the filing of the grievance to meet with the grievant and Association representative(s) and to respond to the grievance in writing. In the event that the District fails to respond to a grievance within specified timelines the grievant has the right to continue to process the grievance at the next higher step in the process.
3. If a grievance is not resolved to the satisfaction of the grievant at each step below, the grievant may within fifteen (15) working days, submit the grievance in writing to the next higher step. Failure of the grievant to act within the specified time limits, unless such time limits are extended, shall dismiss and nullify the grievance.
4. These time limits may only be extended by mutual written agreement by the parties.

SECTION 4.04 REPRESENTATION

The Association may represent the employee(s) at any stage of the process contained herein.

SECTION 4.05 PROCEDURE

Grievances filed, except when the Association is the grievant, shall be processed in the following manner:

Step 1: The grievant shall discuss the grievance with his or her immediate supervisor and/or section manager who shall meet with the employee and Association representative(s) and respond to the grievance within the proper time limits as set forth in Section 4.03.2 above. The response shall be in writing and set forth the reason(s) therefor.

Step 2: If a grievance is not resolved to the satisfaction of the grievant in Step 1 above, the grievant may submit the grievance in writing to the HRO. The HRO shall either process the grievance at Step 2 or shall route the grievance to the appropriate Division Director for step 2 processing. The written grievance shall state the factual particulars of the matter, any provision(s) of the Memorandum of Understanding that has allegedly been violated or misapplied, how the alleged violation or misapplication has affected the grievant to the grievant's detriment, and the redress sought. The grievant shall provide a copy of the grievance to the Association. The Division Director or HRO shall meet with the grievant and Association representative(s) and respond to the grievance within the proper time limits. The response shall be in writing and set forth the reason(s) therefor.

Step 3: If a grievance is not resolved to the satisfaction of the grievant in Step 2 above, the grievant may submit the grievance in writing to the EO or designee. The grievant shall provide a copy of the grievance to the Association. The EO shall meet with the grievant and Association representative(s) and respond to the grievance within the proper time limits. The response shall be in writing and set forth the reason(s) therefor.

STEP 3A - REQUEST FOR MEDIATION

If the grievant is not satisfied with the written response of the EO, he/she may within the time limits specified in this Article request that the matter be submitted to Mediation. Mediation shall be by mutual written agreement of the grievant and the EO. If Mediation is not agreed upon, the grievant may proceed to Step 4. If Mediation is agreed upon, within ten (10) working days from receipt of the EO's response, the parties shall request that a Mediator be appointed by the State Mediation and Conciliation Services.

Step 4: If a grievance is not resolved to the satisfaction of the grievant in Step 3 above, the grievant may, within ten (10) working days, submit the grievance to binding arbitration. The rules and procedures of the American Arbitration Association will prevail.

SECTION 4.06 DISCIPLINARY DISPUTES

The decision to proceed to binding arbitration regarding disciplinary complaints shall be at the sole discretion of the grievant.

SECTION 4.07 MOU DISPUTES

An employee or Association claim of an alleged violation of a specific section of the MOU may be submitted to binding arbitration. Such request for binding arbitration shall come only from the Association Board of Directors. An individual member may not file for arbitration on a dispute of the MOU.

SECTION 4.08 REQUEST FOR ARBITRATION

A written request for arbitration shall be submitted to the EO within ten (10) working days following the receipt of the EO's written response as required in 4.05 Step 3 above, or the conclusion of mediation, if mediation does not resolve the grievance to the satisfaction of the grievant.

SECTION 4.09 SELECTION OF AN ARBITRATOR

The District and the grievant(s) will select an arbitrator from the California State Mediation and Conciliation Service. If the grievant(s) is (are) represented by the Employees' Association, then the Employee's Association President or designee and the District will select an arbitrator from the California State Mediation and Conciliation Service. If the parties cannot agree on the selection of an arbitrator, the grievant will request of the California State Mediation and Conciliation Service a list of nine (9) arbitrators. Within ten (10) working days from the receipt of the list of nine (9) arbitrators, each party beginning by lot shall alternatively cross off one name on the list; the first party to cross off a name will be selected by a flip of a coin. The final name left on the list shall be the arbitrator if he/she agrees to serve. If he/she will not serve, the process shall be repeated until an arbitrator is found. The rules and procedures of the California State Mediation and Conciliation Service will prevail.

SECTION 4.10 DECISION OF THE ARBITRATOR

The decision of the arbitrator shall be final and binding on the parties and on any affected employees covered by this agreement. Such decision shall be issued in writing.

SECTION 4.11 FEES AND EXPENSES

The fees of the arbitrator and related expenses shall be shared equally by the District and the grievant.

SECTION 4.12 LIMITATIONS ON ARBITRATOR'S AUTHORITY AND JURISDICTION

The limitations on the arbitrator's authority and jurisdiction are as set forth below:

1. No arbitrator shall entertain, hear, or decide any dispute unless such dispute involves a represented employee and unless such dispute falls within the grievance procedure as set forth in section 4.01 Definition of a Grievance.
2. Any dispute regarding whether an issue is grievable or applicable to arbitration shall be determined by the arbitrator as an initial determination prior to proceeding with the hearing on the merits of the grievance.
3. No arbitrator shall entertain, hear, decide, or make recommendations on any disciplinary action unless such dispute involves a bargaining unit employee who has successfully completed an initial (new hire) probationary period and who has availed him/herself of the response and appeals procedures of the Disciplinary Procedures Article of this Agreement.

ARTICLE V DISCIPLINARY PROCEDURE

SECTION 5.01 PROGRESSIVE DISCIPLINE

In order to maintain the orderly and efficient operation of the District, it may be necessary for District Management to impose discipline on an employee who violates work instructions or District policies and procedures, whose service is unsatisfactory, whose conduct is unacceptable or for other just cause. However, no employee shall be disciplined without just and sufficient cause.

The administration of discipline by District Management is intended to be corrective rather than punitive, and discipline will normally be imposed in progressive steps. The progressive steps in the imposition of discipline will normally include: (a) informal verbal reprimand, (b) formal written reprimand, (c) warning and one-day suspension, (d) extended suspension and (e) dismissal.

An employee who has been demoted, suspended or terminated from employment may appeal such disciplinary action in accordance with ARTICLE IV of this Memorandum of Understanding. An employee may provide a written response to any written disciplinary action taken against that employee.

SECTION 5.02 GROUNDS FOR DISCIPLINE

9. Unexcused absence.
10. Conviction of a felony or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of the employee's position. A plea of guilty, or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this Section.
11. Discourteous treatment of the public or other employees.
12. Political activity prohibited by state or federal law.
13. Engaging in sexual harassment of another employee or member of the public.

SECTION 5.03 REPRIMANDS

1. The initial step in the imposition of discipline is normally a verbal reprimand. When delivering the reprimand, the supervisor shall identify the action(s) which the employee should take to correct the basis for the reprimand. A verbal reprimand is an informal disciplinary measure and is not entered in the employee's personnel record unless discipline progresses to a written reprimand or beyond.
2. If, after receiving a verbal reprimand, an employee continues to perform his or her work in an unsatisfactory manner, to engage in the same violation of a District work instruction, policy or procedure, or to manifest the unacceptable behavior or conduct for which the employee received the verbal reprimand, the employee's immediate supervisor may either: (i) repeat the verbal reprimand and again identify the action(s) which the employee should take to correct the basis for the reprimand; or (ii) move to the next step of progressive discipline and request the section manager to issue a formal written reprimand.
3. A written reprimand shall document all previously delivered verbal reprimands, shall state the basis for such verbal reprimand(s) and shall specify the action(s) which the employee should take to correct the basis for the formal written reprimand and the possible consequences of a failure by the employee to take such corrective action. A written reprimand is a formal disciplinary measure and is entered in the employee's personnel record.
 - A. If, after receiving a formal written reprimand, an employee continues to perform his or her work in an unsatisfactory manner, to engage in the violation of a District work instruction, policy or procedure, or to manifest the unacceptable behavior or conduct for which the employee received the written reprimand(s), the employee's section manager may either: (i) repeat the formal written reprimand and again identify the action(s) which the employee should take to correct the basis for the reprimand; or (ii) move to the next step of progressive discipline and request the division director to issue a formal written warning and one-day suspension without pay.
 - B. An employee may appeal a written reprimand through the grievance procedure at Step 3. The decision of the EO shall be final. An employee has the right to respond to a written reprimand in writing and to have that response attached to the reprimand in the personnel file.
 - C. If an employee does not receive any discipline more severe than a verbal reprimand for a period of 18 months then all previous written reprimands will be sealed. However, for just cause, the District may open the employee's sealed reprimand file and use any of the contents contained therein on an as needed basis. If the sealed reprimand is opened the employee shall be notified in writing within five (5) working days. The notification shall include the reason for such action.
4. Notwithstanding paragraphs 1-3 of this section, the District has the right to impose more serious discipline or to escalate disciplinary action without satisfying each of the recommended progressive discipline steps.

SECTION 5.04 WARNING AND ONE-DAY SUSPENSION

If, for good cause shown, or after receiving a formal written reprimand, an employee continues to perform his or her work in an unsatisfactory manner, to engage in the violation of a District work instruction, policy or procedure, or continues to manifest the unacceptable behavior or conduct for which the employee received the written reprimand, the employee's division director may impose a warning and suspend the employee without pay for a full working day. The imposition of the warning and one-day suspension without pay shall be in writing, shall state the factual basis for this disciplinary action and shall specify the action(s) which the employee should take to correct the basis for this disciplinary action and the possible consequences of a failure by the employee to take such corrective action. This written documentation is entered in the employee's personnel record. A Warning and One Day Suspension may not be grieved or appealed.

SECTION 5.05 EXTENDED SUSPENSION

1. If, for good cause shown or after being issued a warning and being placed on a one-day suspension without pay, an employee continues to perform his or her work in an unsatisfactory manner, persists in engaging in the violation of a District work instruction, policy or procedure, or continues to manifest the unacceptable behavior or conduct for which the employee was issued a warning and placed on a one-day suspension without pay, the EO may suspend the employee from work without pay for a period of up to two weeks. Prior to placing an employee on an extended suspension without pay, the EO shall cause to be served on the employee a written Notice of Proposed Disciplinary Action, which shall contain the following information: (i) a statement of the action which is proposed to be taken, (ii) a statement of the factual basis for this proposed disciplinary action, (iii) a specific reference to any District work instruction, policy or procedure which the employee is alleged to have violated, (iv) a specification of the action(s) which the employee should take to correct the basis for this disciplinary action and the possible consequences of a failure by the employee to take such corrective action, (v) a statement that the employee may review and request copies of materials upon which the proposed disciplinary action is based, and (vi) a statement that the employee will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the suspension becoming effective.
2. An employee who is to be placed on an extended suspension from work without pay will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the suspension becoming effective. This meeting with the EO should take place as soon as possible, and in no event more than five (5) working days after the recommendation for suspension from work without pay has been provided to the employee. The employee may bring a representative of the Association and/or a private personal representative to the meeting with the EO. Within five (5) working days after meeting with the employee and the Division Director recommending the suspension, the EO shall prepare a written decision regarding the recommended suspension. If, after considering the Division Director's recommendation and the information presented by the employee at the meeting, the EO determines to impose a suspension from work without pay, the suspension shall begin on the

day after the EO's written decision is served on the employee, and all written documentation pertaining to the suspension will be entered in the employee's personnel record.

3. Employees who are placed on an extended suspension without pay will not accrue sick or annual leave during the period of such suspension.
4. Notwithstanding the progressive discipline policy outlined in Sections 5.01 through 5.04 above, the EO may place an employee guilty of serious misconduct on extended suspension. In such case, the EO shall follow the procedure set forth in 2 above.

SECTION 5.06 DISMISSAL

1. If, for good cause shown or after being suspended from work without pay, an employee continues to perform his or her work in an unsatisfactory manner, persists in engaging in the violation of a District work instruction, policy or procedure, or continues to manifest the unacceptable conduct or behavior for which the employee was placed on an extended suspension from work without pay, the EO may dismiss the employee from employment with the District. Prior to the dismissal of an employee from employment with the District, the EO shall cause to be served on the employee a written Notice of Proposed Disciplinary Action, which shall contain the following information: (i) a statement of the action which is proposed to be taken, (ii) a statement of the factual basis for this proposed disciplinary action, (iii) a specific reference to any District work instruction, policy or procedure which the employee is alleged to have violated, (iv) a statement that the employee may review and request copies of materials upon which the proposed disciplinary action is based, and (v) a statement that the employee will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the dismissal becoming effective.
2. An employee who is to be dismissed from employment with the District will be given an opportunity to address the charges supporting this disciplinary action with the EO prior to the dismissal becoming effective. In such event, the employee's Division Director will inform the employee of the Director's recommendation that the employee be dismissed from employment. This meeting should take place as soon as possible, and in no event more than ten (10) working days after the recommendation for dismissal. The employee may bring a representative of the Association and/or a private personal representative to the meeting with the EO. Within five (5) working days after meeting with the employee and the Division Director recommending the dismissal, the EO shall prepare a written decision regarding the recommended dismissal. If, after considering the Division Director's recommendation and the information presented by the employee at the meeting, the EO determines to dismiss the employee from employment with the District, the dismissal shall be effective on the day on which the EO's written decision is mailed to the employee. An employee may be placed on administrative leave with pay when they are informed of the Director's recommendation that he/she be dismissed from employment. In that event, he/she shall remain on administrative leave with pay until such time as he/she is either directed to return to work or until the date the EO's written decision is mailed to the employee.

3. After the EO takes action on a proposed dismissal of an employee, the Notice of Proposed Disciplinary Action and all related written documentation will be entered in the employee's personnel record.

SECTION 5.07 ADMINISTRATIVE LEAVE WITH PAY

Any bargaining unit employee placed on administrative leave with pay shall receive all salary and benefits and remain covered by all provisions of the MOU, including membership status with the EA while on leave with pay. Said terms and conditions of employment shall remain in full force and effect as if the bargaining unit employee had remained on the job for the duration administrative leave with pay.

Pursuant to Section 3.11(d), the District has the right to relieve employees from duty for legitimate reasons. Accordingly, the District may place employees on paid administrative leave during the course of investigations that may lead to disciplinary action. Provided, however, that the period of administrative leave in any given instance shall not exceed the timely reasonably necessary to conclude the investigation.

The District reserves the right to direct employees not to enter and/or access District facilities and to direct them and to schedule them to attend meetings related to investigations and notice employees regarding the discipline process in accordance with the MOU. Further, District managers may approve a request from an employee who is placed on administrative leave with pay to use other types of paid leave and unpaid leave in lieu of administrative leave with pay. In the event the employee's manager approves such a request, then the employee would be subject to the conditions that normally apply to the approved leave. Leave requests that were approved prior to an employee being placed on administrative leave will be honored unless doing so unduly impedes the investigation and/or disciplinary process. Any and all leaves cancelled by the District causing a monetary loss to the employee shall be reimbursed by the District to the full amount. The employee shall submit to the District verification of the monetary loss and the District shall fully reimburse the employee within ten working days of the receipt of such verification.

Administrative leave with pay is not considered a break in service and the bargaining unit employee's position shall not be vacated by this leave.

ARTICLE VI CLASSIFICATION STUDY AND COMPENSATION SURVEY

A. Upcoming Classification Study and Compensation Survey

During the term of this MOU, the District agrees to have both a comprehensive classification study and compensation survey conducted by an outside vendor(s). The District agrees to complete the classification study and compensation survey prior to the parties commencing bargaining for a successor MOU.

1. Job classifications will be thoroughly reviewed to determine whether they need to be updated to reflect the work being performed in the bargaining unit positions assigned to those classifications, including the knowledge, skills and abilities, examples of duties, and qualifications required to perform the work.
2. The District agrees to discuss and receive the EA's input regarding appropriate comparators prior to making the final determination regarding comparators to be utilized.
3. Compensation will be thoroughly reviewed to determine if the adjustment to the rate of pay for a classification is warranted based on external comparators and/or internal equity considerations.
4. During the term of this MOU, no bargaining unit employee will be subject to a reduction in force, demoted, y-rated, or suffer a reduction in salary or benefits related to the classification study or compensation survey. Thereafter, depending upon the results of the classification study/compensation survey, such reductions/y-rating may occur pursuant to the meet and confer process for the successor MOU.
5. Aside from mutual agreement in the form of a side letter (for existing classifications) or as implemented pursuant to the MMBA meet and confer process (for new classifications), Appendix A shall remain in full force and effect without modification during the term of this MOU.
6. The District agrees to provide the Association with final copies of both the classification study and compensation survey, and final recommendations, if any, within ten (10) business days following their completion.

B. Maintenance

The following processes shall remain dormant during the term of this MOU in light of the comprehensive classification study and compensation survey that will be conducted during the term of this MOU as described in Paragraph A above. Six months after completion of the classification study and salary survey described in Section 6.A, but no later than June 30, 2025, the dormancy ends and these maintenance provisions in Section 6.B revive and become fully effective.

1. Up to 6 classifications may be reviewed in each of the remaining years of the current MOU. The EA and the District may each select up to three (3) classification series.
2. Bargaining unit positions in selected job classifications will be audited to determine whether the positions are correctly classified.

3. Job classifications and descriptions, if any, will be thoroughly reviewed to determine whether they need to be updated to reflect changes to the work being performed in the bargaining unit positions assigned to those classifications, including the knowledge, skills and abilities, examples of duties, and qualifications required to perform the work.
4. Review of classifications may include a compensation analysis to determine if adjustment to the rate of pay for a classification is warranted based on external comparators and/or internal equity considerations.
5. For the purposes of this subsection, no bargaining unit employee will be subject to a reduction in force, demoted, y-rated, or suffer a reduction in salary or benefits based on the results of an audit of his/her position, a review of the job classification description assigned to their position, or a compensation analysis.
6. In the event that a compensation analysis/survey is conducted and indicates that an adjustment to pay rates is warranted, the Human Resources Officer shall prepare a report and recommendation for consideration by the Board of Directors as part of the annual budget preparation process.
7. All position audits, job classification description reviews, and compensation analyses conducted pursuant to subsection B of this Article shall be performed by an external consulting firm mutually agreed upon by the parties.
8. The cost of any work performed pursuant to #7 shall be borne equally by the District and the Association, except that the Association's costs for such work shall not exceed \$15,000 per year.
9. However, neither party is required to designate classes in any year.
10. Aside from mutual agreement in the form of a side letter, existing represented classifications shall remain in full force and effect without modification for the term of this MOU.

Effective the first full pay period after July 1, 2024, and for the term of this MOU only, wages/salaries of bargaining unit employees shall be increased by two percent (2.0%) plus any change of the Consumer Price Index for Urban Wage Earners and Clerical Workers for San Francisco-Oakland-Hayward (CPI-W) for the preceding calendar year, as reported by the Bureau of Labor Statistics, U.S. Department of Labor, over the wages/salaries in effect on the preceding June 30.

Irrespective of the CPI-W as defined above, the cumulative minimum increase for the 2024/2025 fiscal year (2.0% plus change in CPI-W) shall be one percent (1.0%) and the maximum increase shall be four point five percent (4.5%).

SECTION 7.02 SALARY STEPS

1. There are five (5) steps within the salary range for each position, with a five percent (5%) increment between the steps. The time between Entrance Step A and Step B is six (6) months of satisfactory service in Step A. The time between Step B and Step C is six (6) months of satisfactory service in Step B. The time between Step C and Step D is one (1) year of satisfactory service in Step C, and the time between Step D and Step E is one (1) year of satisfactory service in Step D.
2. Unless special conditions warrant otherwise, an employee promoted to a higher position will receive the minimum salary for the higher position nearest a five percent (5%) increase (not less than four point nine percent [4.9%]) above the employee's former position, whichever is higher, provided the increase is within the range of the higher position. If a promotion is awarded within thirty (30) days of a scheduled step increase, the step increase and promotional increase will both be effective at the time of the change. Hiring at a higher salary step will require justification from the Hiring Manager and approval of the EO.
3. If a position is reclassified, a competitive recruitment will occur and the salary placement of the selected employee will be in accordance with subsection 2 above.
4. If a position is reclassified to a position having a lower salary range, the incumbent will be Y-rated according to the provision section 7.05.

Such an employee may be terminated for cause. However, if an employee is promoted prior to the completion of his/her initial probation period, the employee must successfully complete the full probationary period designated for the higher classification before attaining regular status.
7. If an employee is demoted for disciplinary reasons to a position having a lower salary range, the employee will be placed in the new range at the step held prior to the demotion.

8. If an employee is demoted because of lack of funds, the employee will be placed in the salary step in the new range that reflects the least decrease in salary. If an employee promoted to a higher class fails to pass a promotional probationary period, the employee will be returned to a position in the formerly held classification and will revert back to the step in the salary range they occupied in the former position effective prior to promotion. Step increases will be awarded on the schedule appropriate to the prior position.

SECTION 7.03 STEP INCREASES

Step increases are effective on the first day of the pay period in which the employee's anniversary date falls providing that a formal performance evaluation has been completed which indicates at least an overall "meets standard" rating. For purposes of this section, a delayed performance evaluation exceeding thirty (30) calendar days shall cause the employee's performance evaluation to be an overall "meets standard" rating and the employee shall receive the increase retroactive to the first of the pay period in which the employee's anniversary date falls.

SECTION 7.04 DETERMINATION OF SALARY RATES

1. ORIGINAL APPOINTMENTS: Unless special conditions warrant otherwise, employees will be hired at the entrance salary of the position classification. 2. LIMITED-TERM EMPLOYMENT (Non-Contract per Section 16.04): Limited-term employees will be placed on the salary range of the classification in which the person is employed. If a former regular District employee is re-hired as a limited-term employee for the same classification in which they held upon separation, the former regular employee will be paid at the same step of the salary range for the classification at the time of separation. If a former regular employee is re-hired as a limited-term employee for a classification other than that held at the time of separation, the former regular employee will be paid the same step of the salary range for the classification at the time of separation providing that the salary range of the classification in which the person is employed is equal to or less than the salary range of the classification held at the time of separation. If the salary range for the classification in which the former regular employee is employed is higher than the salary range of the classification held at the time of separation, the former regular employee will be placed at the step of the salary range of the classification based on the needs of the District pursuant to 7.04.1 above.

Employees promoted to a position in a different class series shall be subject to a probationary period equivalent to nine (9) months of full-time actual and cumulative service. If an employee does not successfully complete his/her promotional probationary period, he/she shall be placed back in a position in the employee's former classification at the salary step held prior to the promotion without cause or right of appeal.
3. During any probationary period, no employee shall be demoted or terminated in violation of the District's Equal Employment Opportunity policy.

ARTICLE IX HOURS OF WORK

SECTION 9.01 HOURS OF WORK

1. WORKWEEK

- A. **NORMAL WORKWEEK.** A normal workweek shall consist of five (5) consecutive eight (8) hour days, Monday through Friday. The normal workday shall be scheduled over an eight and one-half (8 ½) hour period from 8:30 A.M. to 5:00 P.M., normally with one-half (1/2) hour for meals.
- B. **COMPRESSED WORKWEEK.** With the approval of Management, an employee's normal workweek and/or workday can be modified to allow for flextime hours or a compressed workweek. In such a case, appropriate adjustments will be made to recognize such a normal flex or compressed day/week.
- C. **TELECOMMUTING.** With the approval of Management, an employee's normal workweek may be modified to allow for telecommuting. The employee and his/her/their

(hereinafter referred to as their) supervisor will agree on core days and hours during which the employee will be working remotely, and these will remain constant from week to week, unless modified by agreement with the supervisor. The District will allow non-scheduled telecommuting on Spare-the-Air days when appropriate. In all cases, telecommuters communicate sufficiently with the office and the public to meet the District's goals.

D. PART-TIME WORK: An employee may request a regular part-time work schedule of fewer than 80 hours per pay period. Approval shall be at the discretion of the Division Director and the EO on a fiscal year basis considering business needs of the District. The part-time schedule may be rescinded by the EO with a 30-day notice to the affected employee for business needs or for unsatisfactory employee performance.

2. An employee shall not work any time in excess of his or her approved work schedule without prior approval of the employee's supervisor, acting supervisor or other manager in the employee's chain of command.
3. When a situation arises in which a represented employee is unable to work their regular hours on a particular day, upon the approval of the employee's supervisor, the employee may make up the time missed. The makeup time shall occur during the same pay period. The total hours worked, including makeup time, shall not exceed eighty (80) hours during any pay period. Makeup time shall not trigger overtime in any workweek or under any circumstance.
4. When an employee is away from the employee's normal duty assignment for jury duty, an all-day or multi-day meeting, a conference or to take a District-authorized class, the employee shall only be paid: for the hours representing the agency at, and travel time to and from, meetings or conferences; for the hours at, and travel time to and from, a class; or for the hours at jury duty and for any travel time between the location of the jury duty and the District office or the location of the employee's normal duty assignment. With the approval of the employee's supervisor, an employee will receive overtime or compensatory time if the time consumed by the outside activity exceeds the employee's normal workday.
5. When an employee attends one of the activities which requires the employee to be away from the employee's normal duty assignment and the activity concludes prior to the end of the employee's assigned workday, the employee must return to work, use appropriate paid leave, work at home, or make-up time. In order to use appropriate paid leave, work at home or make-up time, employees must receive concurrence from their immediate supervisor and authorization from their manager. If the employee is authorized to make-up time, the employee must make-up the time in the same pay week in which time was taken off and in no event shall this time when combined with regular hours worked result in weekly overtime.
6. With the approval of Management, an employee may make up work time that is lost as a personal or job-related obligation within the same workweek in which the work time is lost. Make up may not be counted towards computing the total number of hours worked in a day for purposes of the overtime requirement specified in this MOU. The schedule according to

which any such time will be made up will be established in consultation with the employee's supervisor.

SECTION 9.02 MEAL PERIOD AND REST PERIOD

1. Lunch period of one-half (1/2) hour is to be taken as assigned by the employee's manager, normally it will be taken between 12:00 P.M. and 1:00 P.M.
2. Rest period of one-quarter (1/4) hour each is normally taken in mid-morning and mid-afternoon.
3. Continuation of Business: An adequate number of employees may be assigned lunch and rest periods to ensure the continuation of business.

If an employee is authorized to take a 30-minute lunch, the employee may either be authorized by the manager to combine his/her/their two (2) 15-minute breaks with their lunch period or to take one (1) 15-minute break mid-morning and one 15-minute break mid-afternoon.

If an employee chooses and is authorized to combine their lunch and break periods, to provide the employee a one (1) hour lunch period, the employee will not be entitled to take any additional breaks during the employee's work shift.

If an employee is authorized to take a one (1) hour lunch and two (2) 15-minute breaks, then the employee shall take one(1) 15-minute break midmorning and one 15-minute break mid-afternoon.

Due to unforeseeable work duties, there may be times that an employee will not be able to adhere to their primary lunch option. The District acknowledges that in such cases, an employee may select an alternative lunch option for that day.

SECTION 9.03 ATTENDANCE

1. An employee's supervisor will be responsible for keeping the daily attendance record of each employee.
2. A bargaining unit employee who is tardy shall report to the employee's supervisor as promptly as possible after beginning work and at the sole discretion and approval of the employee's manager, the employee may be allowed to (1) make-up time providing the makeup time does not put the employee in an overtime status, (2) use appropriate paid leave in accordance with this agreement, or (3) may be docked for the period of tardiness.
3. An employee must report unscheduled leave to the District within the first hour of the workday unless an emergency prevents such reporting.
 - A. Failure to report may result in loss of pay for the period of absences from work.

- B. An employee who is absent without leave and without having reported their absence for more than one (1) working day may be considered to have resigned and may be terminated.

SECTION 9.04 OVERTIME

The District will avoid the necessity for overtime where possible. The District is under no obligation to assure anyone of the availability of overtime work, nor is the District obligated to treat any particular kind of assignment as overtime. Therefore, the District may adjust work schedules where possible to cover work assignments as straight time work assignments.

The District recognizes that not all work matters can be scheduled during a work shift, and consequently, legitimate overtime assignments will be compensated accordingly.

A notice to an employee to work overtime is a notice in advance if the assignment is given more than 24 hours prior to the beginning of the work to be performed. Such assignments will be considered “scheduled” overtime. An assignment given less than 24 hours in advance will be considered an “unscheduled” assignment for call-back purposes. A call-back is the unscheduled, emergency, and authorized call-back to return to work after a regular shift has been completed.

The District will make every reasonable effort to notify employees of changes in work schedules 14 days in advance of the work to be performed.

Though work schedules for most employees are within the normal workday and normal workweek, groupings of employees may occasionally or regularly have work schedules at different times. The District reserves the right to change work schedules to meet operational needs during straight time shifts.

Except as otherwise provided in Section 9.01, travel time pay is only authorized for call-back assignments. Travel time and call-back time will be compensated at the applicable rate of pay. The time employees spend traveling to a work assignment, except for qualifying callback assignments, is not to be paid regardless of whether the employee is traveling to a scheduled overtime or straight time assignment.

1. AUTHORIZATION. Overtime is the necessary, assigned authorized time worked in excess of eight (8), nine (9), or ten (10) hours per day (depending on an individual's normal work schedule) or forty (40) hours per week. With regard to flex time or compressed work weeks, it is recognized that the standard work week may not be forty (40) hours. Any hours worked beyond whatever is necessary to fulfill the designated flex/compressed work week plan for a represented employee are designated as excess hours. These excess hours are to be paid as overtime or compensatory time at the rate of one and one-half times base hourly rate. For the purposes of this section, paid leave time shall be included in computing the forty (40) hours per week when determining eligibility for overtime; provided, however, that an employee on a flex time or compressed schedule may, with supervisor's approval, modify a normal schedule in order to meet operational necessities, which modified schedule will then constitute normal work time.

2. **CALL-BACK.** Call-back is the unscheduled, authorized call back to work before or after but not connected to the normal workday. Compensation will be based on a minimum of two (2) hours at the applicable rate of pay.
3. **TRAVEL TIME.** For a call-back which is not directly connected to the beginning or ending of a normal shift, the employee will receive compensation from the time the employee leaves home until the employee returns home (travel time) at the applicable rate of pay.
4. **DISTRIBUTION OF OVERTIME.** Overtime, other than call-back, will be distributed in the following manner, consistent with District operating requirements:
 - A. When overtime is required to complete an assignment, the person given the assignment will normally continue the work.
 - B. When unscheduled overtime is required in a supervisor's area (or an extended coverage area) to conduct an additional assignment, employees working for a supervisor (or working in an extended coverage area) will be asked first whether they wish to volunteer for the overtime work. If two (2) or more people volunteer for the assignment, the assignment will be made based on a rotating overtime assignment schedule starting with the most senior person in the work group. If no one volunteers for the assignment, a supervisor may select an individual through the use of a lottery system or, at the discretion of management, the supervisor may select in the order of inverse seniority. Any and all of the above methods may be used to establish an order of rotation for the purposes of distribution of overtime.
 - C. On continuing extended, overtime assignments, coverage will be assigned on a rotating basis.
 - D. All overtime assignments will be made with due consideration for employee hardship.
 - E. Seniority, for the purposes of overtime assignments only, is determined by the time an employee has held the position for which the overtime assignment is required.
 - F. The District reserves the right to approve, or disapprove, all assignments with due consideration of safe work hours and excessive work schedules.
 - G. Limited-term employees shall not be offered the opportunity to work overtime hours without first offering the overtime hours to that supervisor's regular employees and allowing those employees to decline the overtime hours.
5. **DISTRIBUTION OF CALL-BACK.** Call-back will be distributed in the following manner:
 - A. When call-back is required, the person normally responsible for the assignment will be given first opportunity of call-back.

- B. If the person normally responsible for the assignment is unavailable for call-back, then the immediate supervisor will be responsible for the assigning of call-back to other employees in the same position.
 - C. If the immediate supervisor is unavailable for assigning the call-back, then the alternate supervisor, manager or division director will be responsible for the assignment of callback. The District maintains the option to deviate from this procedure based upon immediate need.
6. All represented employees who are authorized and work overtime shall be compensated at the rate of one and one-half times their base hourly rate of pay for all time worked over their normally scheduled workday. Represented employees may elect compensatory time at the rate of one and one-half (1½) times the overtime worked in lieu of overtime pay but may not accumulate more than 240 hours of compensatory time. However, compensatory time shall only be allowed with management approval for any overtime earned in an assignment outside of their regular division. After 240 hours of compensatory time has been accumulated, overtime pay will be the compensation for overtime work. The maximum accumulation of compensatory time is 120 hours as of the end of the calendar year. At the end of the calendar year, the District will pay the employee all compensatory time in excess of 120 hours at the current hourly rate. An employee may cash out up to the full amount (240 hours) at the end of the calendar year.
 7. Employees required to work a designated holiday shall receive overtime pay equal to two (2) times the employees' base hourly rate of pay. For purposes of this section, a designated holiday shall be the dates on which the holiday is observed by the District (Section 12.07), except that for New Year's Day, Independence Day, and Christmas Day, the designated holiday shall include the actual date of the holiday and if any of these holidays fall on a Saturday or a Sunday, the Monday or Friday on which the holiday is observed by the District.
 8. An employee shall not work any time in excess of their approved work schedule without prior approval of the employee's supervisor.

ARTICLE X REDUCTION IN FORCE

SECTION 10.01 PROCEDURE / BUMPING, LAY-OFF AND RECALL

1. **SENIORITY.** For the purpose of this Section, there are three types of seniority which apply in connection with the implementation of a reduction in any portion of the District work force: District employment seniority, seniority within a class series and seniority within a specific job classification. District employment seniority is the seniority gained based on overall employment with the District. Seniority within a class series is the seniority gained based on time in service in a number of job classifications which all belong to the same class series (for example, Inspector I, Inspector II, Senior Inspector and Supervising Inspector). Seniority within a job classification is the seniority gained based on time in service in a specific job classification.

2. LAYOFFS/REDUCTIONS IN WORK FORCE

- A. When a reduction in work force becomes necessary for any reason such as lack of funds or lack of work, layoffs will be based on reverse order of overall District employment seniority.
- B. As a result of any such layoffs, management may reassign remaining employees to equal or lower paying job classifications in order to assure that the operating requirements of the District can be met. Any such reassignments shall be made in accordance with the bumping mechanism set forth in Section 3(C) below.
- C. The District will give an employee at least 30 days written notice prior to the effective layoff date.
- D. The District will furnish a list of employees to be laid off to recognized employee organization(s) at the same time the employees are given written notice.

3. BUMPING

- A. DEFINITION. Bumping is the displacement of an employee to an equal or lower paying job classification. Bumping will be based on reverse order of seniority, either in the job classification or District-wide, as set forth in subsection (C) (2) below. Normally, bumping will occur in the context of a reduction in the District work force, when the position of an employee with sufficient overall employment seniority with the District to avoid being laid off is eliminated. However, bumping may also occur in the context of a static staffing mode, when the District is unable to hire new employees to fill existing vacancies or as a result of significant changes in the operating requirements of the District, such that it is necessary to displace existing employees to equal or lower paying job classifications involving new or different duties.

B. GENERAL RULES APPLICABLE TO BUMPING

The bumping procedure set forth below shall not be used for punitive or disciplinary purposes.

- (1) When any employee who has held a given job classification for less than 4 years must be bumped, the employee to be bumped to an equal or lower paying job classification will be the employee with the least seniority in that employee's current job classification. When any employee who has held a given job classification for more than 4 years must be bumped, the employee to be bumped to an equal or lower-paying job classification will be the employee with the least overall employment seniority with the District.
- (2) Whenever an employee is bumped, the time spent by the employee in the position from which the employee has been bumped, as well as any time which the employee previously spent in the position to which the employee is bumped, will count as time spent in the job classification to which the employee is bumped.

- (3) When two or more employees have the same amount of seniority in a given job classification and one must be bumped, the employee with the least overall District employment seniority is the one who will be bumped. When two employees have the same amount of overall District employment seniority and one must be bumped, the decision as to which employee must be bumped will be based on the flip of a coin.
 - (4) Any employee who is bumped to a lower paying job classification will be Y-rated in accordance with Section 7.05. In the event of any subsequent vacancy in a job classification from which an employee was bumped, that employee will be automatically returned to that previous job classification. When more than one employee has been bumped, that employee with the highest applicable seniority in accordance with rule (1) above shall have priority to return to the previously held vacant job classification. In the event of a vacancy in a job classification in a class series from which an employee has been bumped that pays more than the job classification that the employee currently holds, but less than the job classification from which the employee was bumped (an intermediate-paying classification), the employee with highest applicable seniority in accordance with rule (1) above will be automatically promoted to the intermediate paying classification.
 - (5) An employee's seniority in a given job classification shall not be affected by a re-titling of the position and/or modification of the job description which involves no change in pay.
 - (6) Subsequent to being hired as a regular employee, an employee's time in service as a limited-term employee in excess of 1,000 hours within a fiscal year shall count toward that employee's overall District employment seniority, and all of an employee's time in service as a limited term employee in a given job classification shall count toward that employee's seniority in that job classification.
 - (7) Prior to bumping any employee to an equal or lower paying job classification, the EO shall provide a written explanation as to why the operating requirements of the District necessitate that the employee be displaced from his or her current job classification. The District will give an employee at least 30 days written notice prior to the effective date of any bumping. The District will furnish a list of employees to be bumped to recognized employee organization(s) at the same time the employees are given written notice.
- C. THE BUMPING MECHANISM. The bumping mechanism will operate by the application in sequential order of the following criteria, (1) through (9). Thus, an employee who, because of a lack of seniority in his/her job classification, is to be bumped to an equal or lower paying job classification will be bumped in accordance with the first of the following criteria which applies to his/her specific circumstances. At any step where a given employee may bump one of several other employees with less seniority, the individual with the least seniority is the one who will be bumped.

- (1) Prior to the implementation of any mandatory bumping or displacement of an employee to an equal or lower paying job classification to meet the operating requirements of the District, management shall solicit volunteers to move to that job classification. If more than one employee in a job classification volunteers to be bumped, the volunteer with the greatest overall District employment seniority is the one who will be bumped.
- (2) An employee can never bump back to a higher paying position which that employee previously held in the District; however, for purposes of calculating seniority in a job classification, the time spent by an employee in a higher paying job classification will be added to the time already spent in the current, lower paying job classification.
- (3) An employee whose job is being eliminated bumps the least senior employee in the same job classification in the same division.
- (4) The least senior employee in a division bumps the least senior employee in the same job classification anywhere in the District.
- (5) An employee, "A", bumps to an equal paying job classification which "A" previously held, provided that "A" has more total seniority in the current and the previously held position than the least senior current employee in the position which "A" previously held.
- (6) "A" bumps to a lower paying job classification which "A" previously held, provided that "A" has more total seniority in the current and the previously held position than the least senior current employee in the position which "A" previously held.
- (7) "A" bumps to a lower paying job classification in a class series in the same division in which "A" previously held a position, provided that "A" has more total seniority in that class series and in "A's" current position, taken together, than the least senior current employee in the lower paying job classification; and provided, further, that an employee must have held a job classification as a supervisor within the District in order to bump a supervisor in a lower paying class series.
- (8) "A" bumps to a lower paying job classification in a class series anywhere in the District in which "A" previously held a position, provided that "A" has more total seniority in that class series and in "A's" current position, taken together, than the least senior current employee in the lower paying job classification; and provided, further, that an employee must have held a job classification as a supervisor within the District in order to bump a supervisor in a lower paying class series.
- (9) "A" bumps to an equal or lower paying job classification which "A" did not previously hold but for which "A" meets the minimum requirements identified in the job description, provided that "A" has more total District seniority than the least senior current employee in the equal or lower paying job classification.

Note: Notwithstanding that the foregoing criteria (6), (7), (8) and (9) shall normally be applied in sequential order, an employee who can bump to an equal or lower paying job

classification under any of those four criteria shall bump to the highest paying of the available positions.

D. RECALL

- (1) Employees who are laid off will be placed on a recall list for thirty-six (36) months, during which period, service time in the former classification will be preserved. However, no service time will be accrued during any period of layoff.
- (2) Employees will be recalled to their former job classification, or to a lower paying job classification for which they meet the minimum requirements identified in the job description, in reverse order of layoff provided they respond to the notice (mailed to the employee's home address of record with the District by certified mail return receipt requested) of a classification opening by notifying the District of their intent to return within 10 working days of receipt of such notice and return to work or to their former classification within fifteen (15) calendar days of receipt of such notice.
- (3) An employee recalled to a lower paying classification or advanced to an intermediate paying classification shall remain on the recall list and retain the right to return automatically to his or her former, higher paying classification. The employee with the highest seniority shall have priority to return to the previously held vacant job classification or to advance to an intermediate paying job classification in the class series of the previously held classification.
- (4) An employee's name shall be removed from the recall list only when the employee refuses an offer to be returned to the employee's former position.
- (5) A change in job title shall not affect an employee's recall rights.

ARTICLE XI FRINGE BENEFITS

An employee who is approved for a part-time assignment of 90% or more will receive the fringe allowance as specified in Section 11.07 Premium Requirements. All other employment benefits will be prorated based on the hours worked. All employment benefits for an employee who is approved for a part-time assignment of less than 90% will be prorated based on the hours worked.

The District's sick leave payments are integrated with any payments received by the employee from SDI or FTDI. The cost of SDI and FTDI is deducted from the employee's pay. SDI and FTDI are integrated with the employee's leave time. Employees shall not be entitled to receive more than one hundred percent (100%) of pay when SDI or FTDI and leave time are combined. The administration of the SDI and FTDI programs is solely the responsibility of the State of California. - E. Unless leave has been specifically donated to the employee, employees may not use in excess of two hundred (200) hours annually of the Benevolent Leave Fund.
- F. Written requests to use leave from the fund shall be submitted to the Human Resources Officer.

G. The Human Resources Officer or designee shall provide a written response approving or denying the employee's request, or requesting more information within 5 working days. If the request is denied, the Human Resources Officer or designee shall state the reasons for denial in the written response.

H. If a request to use leave from the fund is denied, the refusal may be appealed to the APCO. The APCO's decision shall be provided, in writing, to the employee within ten (10) calendar days from the date an appeal is submitted.

1. Each full-time employee is entitled to a maximum of 480 hours of family care and medical leave during any 12-month period. The 12-month period begins on the first date family care and medical leave is taken. Family care and medical leave can only be initiated by request of the employee. Prior to the request, time off taken on any type of paid leave will not be deducted from the family care and medical leave entitlement. When medically necessary, leave may be taken on an intermittent basis or the employee may be authorized to work on a reduced schedule.
2. The family care and medical leave entitlement may consist of paid or unpaid leave. An employee who is taking family care and medical leave to care for an eligible family member must use all accrued annual leave and floating holiday, except for 80 hours that may be retained or used at the employee's discretion, before unpaid leave may be taken. An employee who is taking family care and medical leave due to the employee's own serious medical condition is not required, but may choose to, use accrued annual leave and floating holiday.

No changes to said provisions of Division III, Section 11.7 of the District's Administrative Code Personnel Policies and Procedures that are within the scope of bargaining will be proposed to the

District's Board of Directors by District Management without first obtaining the concurrence of the Association in writing of said proposed changes.

SECTION 12.11 PREGNANCY DISABILITY LEAVE

The provisions of Division III, Section 11.9 of the District's Administrative Code Personnel Policies and Procedures are incorporated herein, and made a part hereof by this reference. Employee and employer contributions to PERS are not paid during leave without pay. A leave without pay is not considered as a break in service, and the employee is assured return to the same position, or to a comparable position in the same job classification and at the same pay grade.

SECTION 12.14 LEAVE OF ABSENCE

1. Leave of absence may be granted for non-medical reasons or to continue a medical leave for a maximum of six (6) months by the EO. A consecutive leave of absence may be granted but in no case for a total of more than twelve (12) months for any employee.

Employee and employer contributions to PERS are not paid during unpaid leaves of absence. An employee on a leave of absence for non-medical reasons receives none of the benefits described in Section 11. A leave of absence for non-medical reasons is considered a break in

service, and the position vacated by this leave may be open for recruitment of a regular employee.

2. Return after unexpired leave. Granting a leave of absence will permit the return of the employee to District employment before the expiration of the leave of absence under the following conditions.
 - A. The employee will have preference for re-employment in the same classification or at another lower classification for which the person is qualified, provided the position is vacant.
 - B. Leave of absence does not confer any absolute right to return to position or employment.

ARTICLE XVI METHOD OF FILLING VACANCIES

SECTION 16.01 PROCEDURES

1. ANNOUNCEMENT PROCEDURE. When a bargaining unit vacancy exists, the Human Resources Office (HRO) will prepare and distribute a position announcement for the vacancy. The announcement will be posted electronically. The position will be opened for at least ten (10) working days. The bargaining unit vacancy announcement will include the opening date, minimum qualifications required, and the selection procedures to be used to screen applicants.
2. REVIEW OF JOB ASSIGNMENT(S) AND CLASSIFICATION SPECIFICATIONS. Prior to the opening of a vacancy, the Hiring Manager shall have the right to make job assignment changes within the classification of the vacant position prior to identifying the actual vacant position. The Hiring Manager must review the classification specification prior to the commencement of the recruitment process in order to select those duties and functions, which are the most relevant for the position to be filled. Those identified duties and functions shall be placed in bold print so that they are given prominence in the job announcement for the position to be filled.
3. APPLICATION. Applicants who wish to be considered for the position will submit a completed application form to the HRO on or before the filing deadline specified on the announcement.
4. QUALIFICATIONS. The qualifications include, but are not limited to, education, experience, knowledge, skills, abilities and other background factors, which are needed for each classification. The minimum qualifications will be specified in the classification specification form and included in the announcement. The HRO may allow for or consider equivalent and relevant education and/or work experience when evaluating if an applicant meets the minimum qualifications.

The HRO shall determine if the applicants meet the minimum qualifications of the position. The HRO shall inform each applicant in writing if he/she/they (hereinafter “they”) do not meet the minimum qualifications for the position. The HRO may reject any application if the applicant does not possess the minimum qualifications required for the position, or for other justifiable reasons. The HRO shall inform any disqualified bargaining unit applicant in writing of the specific reasons for the disqualification and his/her rights to appeal the HRO’s decision.

5. **VACANCY.** A vacancy is a position in which there is no incumbent and no employee has a right to the position. A position is vacant when the position is newly-created, the incumbent terminates, the incumbent is on a leave of absence or the incumbent has been demoted from the position. A position is not vacant if the incumbent is on sick leave, annual leave, bereavement leave, temporary disability including Pregnancy Disability Leave, Family Care Leave, Workers' Compensation, leave without pay or any other circumstances determined by the EO.

6. **ORDER OF FILLING VACANCIES.**

A. **FIRST PRIORITY.** Reinstatement from layoff, return from leave of absence granted for medical reasons. To fill a vacancy in the first priority category, the HRO will submit the names of all qualified applicants to the Hiring Manager.

B. **SECOND PRIORITY.** For regular employees, transfer, promotion, or return from leave of absence granted for non-medical reasons. To fill a vacancy in the second priority category, the procedures specified in this Section shall be used.

The Hiring Manager shall have the right to determine whether a second priority order for filling vacancies shall be promotional or open. In the event the recruitment is open, bargaining unit employees have the opportunity to apply and compete for the vacant position with the outside applicants.

7. **MINIMUM QUALIFICATIONS DISQUALIFICATION APPEAL.** Those bargaining unit applicants who do not meet the minimum qualifications for the bargaining unit vacancy shall be notified in writing. The bargaining unit applicant shall have the right to appeal the HRO's decision. The bargaining unit applicant must submit a written notice of appeal to the HRO within five (5) working days from the receipt of the written notification of disqualification. The bargaining unit applicant shall have a right to a consultation with the HRO and an opportunity to present additional information regarding his/her qualifications. The HRO shall review the additional information with the Hiring Manager. The Hiring Manager shall have the final decision in determining whether or not a bargaining unit applicant meets the minimum qualifications for the bargaining unit vacancy. If the Hiring Manager decides that the bargaining unit applicant meets the minimum qualifications, the bargaining unit applicant will be allowed to continue in the recruitment. If the Hiring Manager decides that the bargaining unit applicant fails to meet the minimum qualifications, the bargaining unit applicant shall be disqualified. The HRO, within five (5) working days of receipt of the Hiring Manager's decision, shall inform the bargaining unit applicant of the reason for his/her disqualification in writing.

8. **QUALIFIED APPLICANT POOL - PROCEDURE.** The following procedure shall be used to determine the qualified applicant pool. In an open recruitment, all bargaining unit applicants who meet the minimum qualifications shall be interviewed by the Hiring Manager (Step C) and Steps A and B will not apply. When there are ten (10) or fewer qualified applicants for either open or promotional recruitments, Steps A and B will not apply.

- A. Application Screening Panel - A panel of three (3) District employees chosen by and facilitated by the HRO shall screen those applicants who meet the minimum qualifications for the bargaining unit vacancy. The HRO will not be a member of the screening panel. The HRO shall ensure that the panelists occupy a position in a job classification, which is equal to or higher than that of the job to be filled. The Hiring Manager in consultation with the HRO shall establish the screening criteria. The screening criteria may include a practical test, a written examination, a review of the responses to the supplemental application question, and/or any combination of screening methods listed above deemed appropriate for the position by the Hiring Manager. The screening panel shall score the applicants consistent with predetermined scoring methodology. As a result of the screening, all applicants will be given a score based on a 100-point scale. If the Hiring Manager has opted for an examination, then the HRO shall administer the examination to all of the applicants under the same conditions. The HRO or the screening panel shall score the examinations with the predetermined scoring criteria. The examination will be scored blindly.
- B. Panel Interviews - A panel of three (3) District employees chosen by and facilitated by the HRO, giving due consideration to the necessities of the job being filled, shall interview the top twelve (12) applicants, or the total number of applicants, whichever is fewer, by score. The HRO shall ensure that all of the panelists occupy a position in a job classification, which is equal to or higher than that of the job to be filled. The HRO shall ensure that at least one of the panelists shall be a representative from the Division where the vacancy exists, and at least one of the panelists shall be a representative from a different Division. The HRO may choose one (1) panel member from outside the District who possesses expertise in the area of the vacant position. The HRO shall ensure that applicants are notified in writing of potential interview dates at least three (3) working days prior to the first interview date. The Hiring Manager and the HRO will develop the interview questions and rating criteria. A representative of the HRO will facilitate the interview process, however, that person will not be a member of the panel. The panel interview scores will be based on a 100-point scale.
- C. Hiring Interviews - As a result of the scores, the Hiring Manager in the presence of the HRO will interview the top ten (10) applicants, or the total number of applicants, whichever is fewer. In open recruitments, the Hiring Manager will interview all bargaining unit applicants who meet the minimum qualifications. The HRO shall ensure that applicants are notified in writing of the potential interview dates at least three (3) working days prior to the first interview date. The Hiring Manager and the HRO will develop the interview questions and scoring criteria. The Hiring Manager shall ask the predetermined interview questions of every applicant and evaluate the applicants based on the predetermined selection criteria. Based on the answers to the prepared questions, the Hiring Manager may pursue further lines of inquiry, which will draw out further information about the applicant's qualifications or abilities that relate to the vacant position. The Hiring Manager shall document in writing the extent to which each applicant possesses the desirable qualifications. The Hiring Manager shall score each applicant consistent with the scoring criteria. The Hiring Manager shall review the

scoring of each applicant with the HRO. At the conclusion of all the interviews, the Hiring Manager shall forward his/her scoring sheets, notes and recommendation of the selected applicant to fill the vacancy to the HRO. The hiring recommendation shall be forwarded to the HRO for certification as to process and procedure. Once the HRO certifies the process and procedure the hiring recommendation shall be forwarded through the chain of command to the EO for approval. If the hiring process and procedure is not certified by the HRO, the recommendation shall not be forwarded to the EO and the HRO shall take the appropriate steps to ensure the recruitment and selection process conforms to the procedures specified in this Article. Any determination not to approve the Hiring Manager's recommendation shall be in writing and shall provide a detailed explanation of the reasons for the determination, and must be approved by the EO. This document, and any correspondence concerning the document from the Hiring Manager or from any other manager in the chain of command applicable to the hiring decision, shall become part of the record of the hiring decision.

- D. Additional Steps – Subsequent to Step C (Hiring Interviews), the District may utilize additional selection procedures consistent with the provisions of Division III, Section 13 of the District's Administrative Code Personnel Policies and Procedures. Proposed changes to this policy that are within the scope of bargaining will not be implemented without first bargaining in accordance with MMBA requirements.
- E. In the event the EO does not approve the Hiring Manager's recommendation, the Hiring Manager shall submit the name of the applicant who has the next highest final score through the appropriate levels of management for approval by the EO.
- F. After the final selection(s) are made and approved by the EO, the HRO shall notify each unsuccessful applicant in writing. The Hiring Manager, upon request, shall provide the unsuccessful applicant with reasons for his or her rejection. These reasons shall be constructive and specific.
- G. In the event there are tied scores at the twelfth and tenth positions (i.e. the lowest position of the applicant pool) as a result of the procedures identified in Steps A or B above, respectively, each applicant at the tied positions shall proceed to the next steps in the process.
- H. For more than one (1) vacancy, one (1) additional applicant for each additional vacancy will be added to each of the selection processes above.
- I. If there is a vacancy in the same classification, the District shall have the option of using an eligibility list of applicants from past recruitments who have completed Step A (Application Screening Panel) to continue in the above hiring procedures, beginning at Step B (Panel Interviews) or Step C (Hiring Interviews). If the applicant has completed Step C (Hiring Interviews), the Hiring Manager shall have the option of making a hiring recommendation. Applicants will remain on an eligibility list for 18 months from the start date of the applicant selected for the original recruitment.

- J. A bargaining unit employee or the Association has the right to file a grievance if the procedures of this Article are not followed when there are bargaining unit employees in the applicant pool. Matters that are not procedural, including the hiring decision, are not grievable.
- K. If there are six (6) or fewer bargaining unit applicants who meet the minimum qualifications in the applicant pool, the bargaining unit applicants will be interviewed by the Hiring Manager, and in continuing the recruitment, the District retains the right to utilize these procedures or any procedures consistent with the provisions of Division III, Section 13 of the District's Administrative Code Personnel Policies and Procedures. Proposed changes to this policy that are within the scope of bargaining will not be implemented without first bargaining in accordance with MMBA requirements.

Allegations of discrimination under this Article cannot be grieved.

SECTION 16.02 CONTRACTING OUT

The District shall not contract out or remove from the bargaining unit any District work, whether permanent or temporary, which is performed by bargaining unit members, if the services are of a kind that persons selected through the District's normal selection process could perform adequately, competently and in timely manner, except as provided below.

Temporary Employees

When regular permanent employees are unable to perform bargaining unit work, the District may utilize temporary employees under the following circumstances:

- A. Concurrent with the District's recruitment for one or more bargaining unit vacancies, commencing at the time of District authorization of the recruitment and ending upon a permanent appointment.
- B. Limited term assignments that cannot be adequately performed by bargaining unit employees. "Adequately performed" shall refer to the current skill set of existing District staff, the time required to perform the work or project delivery deadlines. A "limited term assignment" refers to a specific project of limited duration or for a specific period of time, which is expected to terminate at the conclusion thereof.
- C. While an incumbent normally filling that position is on approved leave or is on a temporary assignment.
- D. In order to meet short term needs, including emergency situations. An "emergency situation" shall refer to an unforeseen or uncontrollable situation that arises and is beyond the control of District management.

For the period July 1, 2021 through June 30, 2023, the total number of hours of temporary employment allowable in each fiscal year under the above provisions shall not exceed 22,000. After June 30, 2023, and in the absence of a subsequently negotiated limit, the total number of hours allowable shall revert to 17,000 annually or 3.8% of the total number of filled EA positions, whichever is greater. The total number of filled positions shall be determined by calculating the average (mean) number of filled EA positions on the most recent November 1 and March 1. Filled EA positions shall include both full-time and part-time. Each part-time EA position shall be calculated as 0.75 of a full-time EA position. Should this hours limitation provision continue, the date upon which filled EA represented positions shall be calculated will continue to be the average (mean) number of filled EA positions on the most recent November 1 and March 1.

The District shall provide the EA with prompt, written notice of each temporary employee. The notice shall include the following information: specific reason for the hire, hiring date, job class and division. If the temporary employee is hired under provision B, the notice will include both the specific assignment and anticipated length of service.

The District shall provide the EA with quarterly reports for each fiscal year that include the following information: temporary employee's name and total hours worked. The District shall provide notice when it reaches 15,000 hours of usage of temporary employees in any fiscal year.

Contractors

The District shall provide a quarterly report to the EA of any contracts pursuant to this section. Such notice shall indicate the name of the contractor, the nature of services and the department in which they are employed.

In the event matters are not resolved to the EA's satisfaction, at the sole discretion of the EA, the EA may move any alleged violation of this Agreement to binding arbitration, beginning at Section 4.09 of the MOU. If an arbitrator determines that the District violated any provision in Part A and/or Part B of this Agreement, then Part A and/or Part B inclusive shall automatically be rendered null and void and terminated. For example, if an arbitrator determined that the District only violated a provision in Part A of this Agreement, the District would terminate the College Intern Program. If an Intern Program is terminated, all Interns in that program shall be terminated within 7 calendar days from the date of receipt of the arbitrator's decision.
